**ACCOMODATIONS:**

**HOUSING: The Camp accommodations include several sleeping options, one of which has an in-room bathroom. There are community showers and bathrooms near the rooms and benches are available in the showers for those who need them. Rooms will be assigned on a first come-first served basis!**

While Easter Seals has made every effort to provide appropriate housing for all individuals attending the camp, bed options are limited. Please circle one of the available options below:

- a) Single bed (no upper bunk)
- b) Queen-sized bed. A limited number of rooms with a queen size bed are available for couples. Please circle this option if you will be attending with your spouse/caregiver.
- c) Bunk Bed --Would you be able to use a top bunk, if needed?  \_Yes  \_No
- d) Day camper, will not need housing.
- e) Other & special requests: \_\_\_\_\_  
\_\_\_\_\_
- f) If none of the above options are appropriate to your needs, please clarify what housing options are required so we may attempt to provide an acceptable alternative:

**Activities Survey--Below are some activities we are considering, provided there is sufficient interest. Identify all ACTIVITIES in which you would be interested:**

\_\_\_\_\_ *Brace evaluation by DBS orthotist*—Is the brace still optimally functional after longer use? Are there some changes in the brace that could improve functionality? Is the SACH heel the correct height and density? And, any other issues related to brace functionality. There will be a separate charge to be paid directly to the orthotists for materials needed for any modifications made at camp. Also, some recommended changes might not be able to be accomplished during the camp.

\_\_\_\_\_ *Gait (walking) evaluation*—Can I improve my functionality by learning some improved gait/walking/standing practices? Please circle:

- I would prefer a one-on-one (semi-private) gait evaluation.
- I am okay doing it in a small group setting.

\_\_\_\_\_ *Wii Fit balance experiences*—games on the Wii Fit include ski slope mobility, river raft mobility, penguin feeding balance activity, and several others that make doing your exercises more interesting and fun.

\_\_\_\_\_ *Walking outside on various terrains* (Guided/led by seasoned DBS users as needed.)

\_\_\_\_\_ *Catch and Release Fishing*—Some fishing poles available, no license needed.

\_\_\_\_\_ *Use of hot tub*

\_\_\_\_\_ *Use of warm water outdoor swimming pool*

\_\_\_\_\_ *Review of DBS exercises* (with therapist’s suggestions for individual improvement)

\_\_\_\_\_ *Shoe Revue*—view and discuss shoes for the DBS

\_\_\_\_\_ *Other* \_\_\_\_\_

## DBS Users Camp GOALS

To assist us in providing a DBS Users Camp that is beneficial to those in attendance, please give us an idea of your goals in attending the Camp (such as “connecting” with other DBS users, learning/understanding more about how this brace works, improving walking, learning how to do “advance walking techniques (stairs, hills, etc.)” or other goals.
